

# Breiten hiking weeks 2010

# Between Aletschglacier and Matterhorn

This exceptional walking tour takes you through some of the most spectacular areas of the Swiss Alps. You will also have the opportunity to exchange cultural values with a lot of Swiss guests who mostly speak English.

Every evening, you will return to your spa hotel and take a well-deserved thermal bath in the 33°C saline pool and the other facilities. Your host speaks fluently English. The guides will present two different walks for each day's activity, one being up to 5 hours and one up to 3½ hours.

## Simplon

We start in Rothwald near the Simplon and go up on a calm and nice path through the "Jochwood" to the Wasenalp. We pro-

ceed to "Bärenfalle" and enjoy higher up a beautiful view over the mountains of the Simplon. Walking on the majestic balcony of the "Moos" we reach Mäderalp. Up/down 500m/600m, c.a. 3½ - 4 hours. Shorter tour with less altitude 3 hours.

## Binntal

With the bus we drive to Binn, a small village, known for its cristals. We walk up to Schapleralp, hike on an beautiful balcony to Mäseralp and go then down to the crystal mine Längenbach, where you will not find diamonds, but other nice stones. After a midday-break we go down to Fäld. Those who want to continue can walk back to Binn. Up/down 525m/645m, c.a. 3 ½ hours to Fäld and 4 ½ hours to Binn.

## Jeizinen - Feselalp

We drive to Steg by bus where we take the cable-car to Jeizinen. From there we walk up through the wood to Feselalp. On the way you will admire giant larches hundreds of years old, still intact "bisses", the open water conducts of the Alps. The view of the Rhône valley and the Southern Alps will take your breath away: Matterhorn, Weisshorn, Bella Tola, Mischabel... After the midday-break we go back to Jeizinen. er up we will admire old Valaisan houses and the typical «mazots».
